Dear Parents / Carers

Re: Key Stage 2 Options - your child's new school

While it seems a long way away, the portal to apply for your child's next school place is now open. I am writing to inform you of Bushfield's open mornings and information evening events that are happening on the **24th and 25th of September**.

While we may have a slight bias, I would like to genuinely urge you to choose Bushfield.

Not only are the closer links between Wyvern and Bushfield going to make your child's whole transition a much smoother and calmer experience for them but Bushfield has consistently been amongst the top ten performing schools of Milton Keynes in recent years.

Alongside Bushfield's high emphasis on academic study, we also have fantastic grounds and resources; a wide and diverse curriculum; a keen interest in games and PE and amazing support for the children including access to independent professionals.

You are warmly invited to come and visit us and see for yourselves, we are looking forward to meeting you.

Open Mornings
