

Year 6

Homework

Date set: 12/03/18

Date due: 23/03/18

Your task this week is to research the phases of the moon. You could focus on:

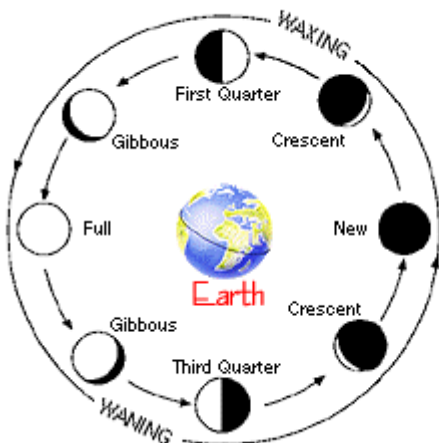

- What happens and why
- How long does it take?
- What are the different phases called?

This research could be presented in any way you like:

- A power-point presentation
 - A poster
 - A leaflet
 - A letter
 - A piece of art work or model

The Moon as seen from Earth

This should take 40 minutes to complete and the work that you produce should reflect this.
