

Dear Parents/Carers

**Re: 'OurSchoolsApp' - HELPING US TO BE A PAPERLESS SCHOOL**

The school is pleased to announce a brand new way of communicating with parents. Our very own school '**APP**'

'**OurSchoolsApp**' is a personalised app for our school and will allow us to keep you all updated with school information, news, calendar events and contact information.

It is like a mini website on the go giving you access to what's going on at the school, at the touch of a button.

You can download the '**APP**' from the Google Play Android marketplace or the Apple Store, depending on which mobile phone or device you use.

You can also access the '**APP**' via smart pads and iPads by following the same download process from the relevant 'app' stores as mentioned above.

When we update the '**APP**' with new information or news about the school, a push button notification will automatically be sent to your own device to inform you of this update. You can then view the notification which will then take you directly to our '**APP**'.

Instructions for download:

1. Using the relevant device (iPad, iPhone, smart pad, tablet or android phone), visit the relevant marketplace for your product (Apple Store or Google Play).
2. Search for '**OurSchoolsApp**'
3. Download the '**APP**'.
4. In the search bar in the '**APP**' put the postcode of the school which is: **MK12 5JG**
5. Hit the search button.
6. Once you see the school name displayed, just touch the screen on the school name.
7. Confirm your choice by pressing OK.
8. You will now be presented with the '**APP**' for the school which contains news, information, calendar events, contacts and any other relevant details.

We hope you enjoy using the '**APP**' which aims to keep you updated with events and activities at the school.

Kind Regards

*Steve Springett-McHugh*
