

Year 3 Homework Project

The Ancient Greeks

Date set: Thursday 9th May

Date due: **Monday 8th July**

This term's topic is The Ancient Greeks. We have already looked at where Greece is in the world, what their buildings look like and started studying some of the myths.

We are going to be looking at how the Greeks lived, what they ate, what they wore and how they fought too.

Your homework project for this topic is to show what you have learned about the Ancient Greeks.

You could:

- Create a helmet for a Greek soldier
- Design your own labyrinth (maze) this could be a drawing or 3D using Lego, string, straws or wood for example
- Research a specific Greek God, Goddess or mythical beast and present the information you find out about them
- Create your own Greek God or Goddess and design a poster full of facts about them
- Design a mosaic tile

Or you could do something completely different, it's up to you.
